

KYE - Audience

Know Your EXIT™
Health & Safety Compliance Systems

KYE - Audience *screengrabs*

Using the latest 3D animated technology KYE – Audience illustrates your Evacuation Routes and Emergency Procedures in a colourful, clear and concise message. It is customised to show you where you are, what to do and where to go.

The key is to deliver this information as quickly and clearly as possible to a large audience making it ideal for Reception Areas, Meeting Rooms, Conferences and Waiting Rooms and for larger structures such as Concert Halls, Arena and Stadiums.

KYE - Audience is a fully customizable solution delivering your Health and Safety message to a public or induction-specific environment.

Customised Welcome Screens

Know Your Exit

location

Know Your Exit is located in ArcLabs Research and Innovation Centre in Carriganore, Waterford. ArcLabs was established by Waterford Institute of Technology in 2005 and is based at the 150-acre West Campus in Carriganore in a woodland setting on the banks of the River Suir, just a few minutes from the outer ring road. This magnificent setting helps ArcLabs' companies to attract customers, staff and investment.

ArcLabs is the base for WIT's Centre for Entrepreneurship which promotes, supports and develops entrepreneurship programmes and research. The Centre delivers the South East Enterprise Platform Programme (SEEPP) which supports entrepreneurs involved in knowledge-based start-ups.

The centre is also the headquarters of one of Ireland's largest and most successful technology research operations, TSSG, which employs over 120 highly skilled researchers and developers and has attracted over 40 million in research programmes since its inception in 1996.
